IN RE: Application of SBC Long Distance, Inc. for a	)	ORDER GRANTING
Certificate of Public Convenience and	)	REQUEST TO REVISE
Necessity to Provide Local Exchange	)	CERTIFICATE
Telecommunications Services.	)	

This matter comes before the Public Service Commission of South Carolina ("Commission") by way of a request filed by SBC Long Distance, Inc. ("SBC" or the "Company") to revise its Certificate of Public Convenience and Necessity ("Certificate") by a change in the Company's name. By its request, SBC advises the Commission that SBC seeks approval of a change of the Company's name from SBC Long Distance, Inc. to SBC Long Distance, LLC to reflect the Company's conversion from a corporation to a limited liability company.

A review of the docket file reveals that SBC was granted authority to provide local exchange telecommunications services within the State of South Carolina by Commission Order No. 2004-228, issued June 30, 2004, in the name of Southwestern Bell Communications Services, Inc. d/b/a SBC Long Distance. Thereafter, by Order No. 2005-68, dated February 8, 2005, the Commission approved a change in the Company's name to SBC Long Distance, Inc.

By letter dated May 17, 2005, SBC notified the Commission that the corporate reorganization of the Company approved by the Commission in Order No. 2005-188, Docket No. 2004-359-C, had been completed. Under SBC's internal corporate reorganization plan with SBC Telecom, Inc. in Docket No. 2004-359-C, SBC Long Distance, Inc. converted to a limited liability company known as SBC Long Distance, LLC d/b/a SBC Long Distance. Accordingly, SBC respectfully requests the Commission to issue revised Certificates<sup>1</sup> of authority in the name of SBC Long Distance, LLC d/b/a SBC Long Distance to reflect the legal name change. With its request, SBC submitted a copy of the Company's Application for an Amended Certificate of Authority by a Foreign Corporation to Transact Business in South Carolina filed with the Secretary of State for South Carolina, reflecting the conversion of the Company from a corporation to a limited liability company.

At its regularly scheduled meeting on August 10, 2005, the Commission reviewed the case before it and after due consideration, the Commission concludes that the request of SBC for approval of a change of name should be granted. Accordingly, the Certificate of Public Convenience and Necessity granted to SBC should be amended to reflect its conversion from a corporation to a limited liability company.

---

<sup>1</sup> We note that the Company is also certificated by this Commission to provide intrastate interexchange telecommunications services as authorized by Order No. 98-45, issued January 26, 1998, in Docket No. 1997-0313-C.

The Commission therefore grants the following change to the Company's Certificate:

FROM: SBC Long Distance, Inc.

TO: SBC Long Distance, LLC d/b/a SBC Long Distance.

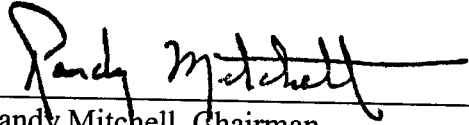

The Commission's records will hereby reflect the change of the Company's Certificate.

IT IS THEREFORE ORDERED THAT:

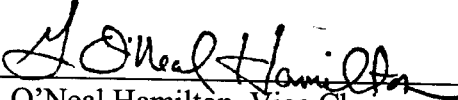

1. SBC Long Distance, Inc.'s request for approval of the revision of the Company's name appearing on its Certificate of Public Convenience and Necessity from SBC Long Distance, Inc. to SBC Long Distance, LLC d/b/a SBC Long Distance is hereby approved.

2. This Order shall remain in full force and effect until further Order of the Commission.
